NOTICE TO REPRESENTATIVE OF PROPOSED PARTIALLY FAVORABLE
AC DECISION AND OF PROPERT OF EVIDENCE

Attorney at Law

Dear _____:

Re: _____ vs. Secretary of HHS
U.S.D.C. for the _____ District of _____
Civil Action Number _____

In furtherance of the court order of remand in the above case, the Appeals Council has received additional evidence which it proposes to include in the record. This evidence is enclosed for your information.

After carefully considering the additional evidence and the evidence of record, the Appeals Council is prepared to issue a decision finding that _____ first became disabled within the meaning of the Social Security Act, on _____.

(give brief explanation for AC's proposed later onset)

(This would mean that disability insurance benefits would be payable for the months beginning with _____, the first month following the required waiting period of 5 full calendar months.)
(Assuming _____ meets the nondisability requirements of the Act, this would mean that supplemental security income would be payable beginning with _____.)

You may submit additional evidence or a further written statement as to the facts and law in this case or you may request a hearing before an Administrative Law Judge. All material should be submitted by mail to the Appeals Council within 20 days from the date of this letter, or the Council should be informed within that time when the material may be expected. Any additional evidence or statement should relate to the question of whether _____ became disabled before _____.

If the Appeals Council does not hear from you within the 20-day period, it will assume you do not want to submit anything additional, and that you concur with the action preposed. The Council will then issue its decision.

Sincerely yours,

Administrative Appeals
Judge, Appeals Council
